### 4-Day Cuba (Overnight) & Key West from Orlando (Port Canaveral)

**Spend a full day and night in Havana and a stop at the ever-popular Key West FLA. Enjoy an open bar onboard the Norwegian Sun the entire cruise!**

Discover Havana's colorful colonial architecture! Squish your toes into the sandy beaches of Cocoa Beach or take off for Kennedy Space Center before departing from Port Canaveral on Norwegian Sun. Head south to Key West for a world of intriguing architecture and fascinating people. Take a Key Lime bike tour and see the sights, like the Hemingway Home and Museum. The door to Cuba's soul, Havana captivates the imagination with its tropical jazz, classic 1950s American cars, and pastel buildings lining cobblestone streets. Sip a daiquiri at Hemingway's favorite haunt, El Floridita, or chat with locals at an intimate paladar.
